

HybridDrawableInterface

```
classDiagram
    class HybridDrawableInterface
    class HybridBoundedConstraintSet
    HybridBoundedConstraintSet --|> HybridDrawableInterface
```

The diagram illustrates a class hierarchy. At the top, a dashed rectangular box contains the text 'HybridDrawableInterface'. Below this box, a solid rectangular box contains the text 'HybridBoundedConstraintSet'. A vertical arrow points from the top edge of the 'HybridBoundedConstraintSet' box to the bottom edge of the 'HybridDrawableInterface' box, indicating that 'HybridBoundedConstraintSet' inherits from 'HybridDrawableInterface'.
